15 Peach Blossom	26 Lady Hillingdon
25 Killarney White	50 Ulrich Brunner

F. J. Grootendorst (Rugosa Baby Rambler). Finest Rose for the Northwest because of its hardiness. Imagine a shrub-like Rugosa Rose, covered with trusses of the Crimson Baby Rambler Rose and you will have a fair conception of this New Hybrid variety. It is not a Rose you should plant in with your bed of Hybrid Teas or Perpetuals, but is valuable to plant as an isolated specimen, or in a mass in an exposed position, or among shrubs. A splendid variety for an everblooming hedge, flowering until frost.

Strong 2 year No. 1, \$45.00 per 100; \$400.00 per 1000.
